The Committee of Correspondence
Inspection & Safety for the Town of Boston have received the
letter you honoured them with as Chairman of the Committee
of Safety for the State of New Hampshire, in reply to one sent
the Committee of Alstead.

We immediately made the Council of this State &
the Committee of Correspondence of New Hampshire, acquainted
with the contents of your letter; the former are of
opinion, that it will be necessary to have copies of the
examinations taken by your Committee, as also of the
Depositions taken relative to this matter, properly authenticated
in order to regulate their procedure against Baxter &
Welch - the Committee of New Hampshire will in the interim
have an Eye upon Welch, who is a Person of property, and has
a large family -

From what the Committee have already
perceived of your zeal & attention to the general interest
of these States, they flatter themselves, that you will as soon
as possible furnish them with such necessary proofs and
evidences as you may be able to obtain. When ever
you may have occasion to require the services of this
Committee, we shall be proud of affording them -
Yours with great respect

Sir

Your most obed^t. Serv^t
